Newsletter 2015-52

December 30, 2015

HAPPY NEW YEAR FROM THE CAWV

The CAWV Headquarters will be closed Thursday and Friday, December 31 and January 1, in observance of the New Year's holiday. There will be no Newsletter this week but project information and bid results can be found in the bulletins. The officers and staff would like to wish everyone a safe and happy New Year!

**Plans in CAWV Physical Plan Room
CAWV Listed as plan holder

The CAWV posts all projects announced in the Newsletter along with plans and specifications on www.isqft.com. Users of the service receive real-time updates as details are changed, plans, specifications and addenda are uploaded and bidders added. Users are also able to track projects of interest. The iSqFt Project Identification Number, found below, can be used for fast access to each project. For more information, contact Cheryl Clark at (304) 342-1166 or email planroom@cawv.org

WVDOH BIDDING UPDATE: SIGN UP FOR PROJECT BIDS NOW—NEW SOFTWARE AND ID REQUIRED FOR BIDDING

The WVDOT has completed installation of the AASHTOWare Project BIDS software and has advertised the first project utilizing the new software for a letting on January 12, 2016. This software replaces Expedite for bidding on WVDOH projects.

John Taylor, Assistant Director, Contract Administration, advises contractors wanting to submit bids on future WVDOT projects that they will be required to conduct the following steps:

1. Download the AASHTOWare Project Bids™ Bid component.
2. Create a user profile for the Bid component.
3. Create a new Digital ID certificate for the Bid component.
4. Request to bid with the WVDOT agency AFTER the Digital ID certificate has been approved and enabled by the Bid Express customer support team.
5. After completing all previous steps, test the software.

An email has reportedly been sent out by InfoTech to each contractor that currently holds a digital ID. You may also email or call the Bid Express customer support team for assistance at 888-352-BIDX (2439) or customer.support@bidx.com.

Again, use of this new software and Digital ID is required for all future lettings, **beginning with the January 12 letting**. The new 2016 Supplemental to the Standard Specifications is also now available and is applicable to all projects bid on or after January 12, 2016.

CONSTRUCTION, CHEAT BRIDGE GRADE CROSSING

(iSqFt Project ID# 2578036) Bids will be accepted until 1:30 PM on 2/9/2016 for installation and replacement of highway/ railroad grade crossing and signals at Cheat Bridge, Route 250, Durbin. A **mandatory** pre-bid meeting will be held on 1/13/2016 at 10:30 AM at Durbin Railroad Depot, 4759 Staunton / Parkersburg Turnpike, Durbin.
