SECOND SET OF 2018 CAWV/WVDOH TECHNICIAN AND INSPECTOR COURSES ADDED

The CAWV is pleased to announce that due to demand a second set of Technician Certification Training Courses has been added to the training schedule. The courses, which are offered annually to help individuals prepare for WVDOH certification examinations required under their Quality Assurance Program, have seen greater demand this year due to the passage of the "Roads to Prosperity *Bond Amendment*". Thousands of individuals have attended courses in Compaction, Aggregates, Asphalt and Portland Cement Concrete over the last several years. Test comparisons prove that those persons who attend the CAWV/WVDOH courses have a higher success rate for passing the exams.

* **NEW FOR 2018:** All certification testing has been moved to an online format that will require the attendee to have a laptop, tablet or iPad type device to take the test. The use of smart phones during the test is prohibited.

CLASS TRAINING DATES TEST DATE

Soil and Aggregate Compaction Inspector (*see note below*) **April 2-4** **April 5**
This certification will only include soil and aggregate Inspector certification. If you need to test asphalt compaction, you will need to take the Asphalt Field Technician course.

Aggregate Inspector **April 9-12** **April 13**

Asphalt Field Technician (*see note below*) **April 16-18** **April 19**
A certified Asphalt Field Technician is now required on all paving projects. This course is also required to test Asphalt Compaction.

PCC (Combined Courses- see form #4) **April 23-26** **April 27**
Portland Cement Concrete Technician and Inspector- This course will have a test for PCC Technician and a separate test PCC Inspector. This is a great opportunity to get both certifications in one week.

Asphalt Plant Technician (**Note Location Change Below*) **April 30 – May 3** **April 4**

All of these courses will be held at the WVDOH Materials Division Headquarters in Charleston located at 190 Dry Branch Drive, Charleston. See forms for registration and lodging information.

For more information, contact Pat McDonald at (304)342-1166 or e-mail pmcdonald@cawv.org.
Registration forms are on the CAWV website at <http://www.cawv.org/events/tech-schools.html>
