NEW LEADERS OUTLINE LEGISLATIVE PRIORITIES

Senate President Bill Cole and House Speaker Tim Armstead outlined their agendas for the 2015 legislative session. They became leaders when voters elected a Republican majority in both the state Senate and House of Delegates. Both said job creation will top their lists. Speaking Tuesday before members of the WV Business and Industry Council, President Cole said broadening the state's tax base is critical. A key component of that agenda, he said, is enacting legislation that will "keep our kids at home." The Mercer County businessman said that includes creating job opportunities, fixing the education system and broadening the tax base. The first Republican Senate president since the 1930s did not detail specific legislation but has publicly stated that the repeal of the state's prevailing wage law will be a top priority. Speaker Armstead outlined his goals before the business group. Infrastructure development is one of his priorities and said he has ideas on how to provide more funding for infrastructure projects. While he did not elaborate, the new speaker has voiced opposition in the past to new tax measures.

U.S. Senator Shelley Moore Capito spoke at WVBIC's session and said that reauthorization of a six-year highway bill will be her first order of business. "Our infrastructure is falling apart and we must find a way to fund a long term funding solution for our highways and bridges," she said. West Virginia's first female senator received choice committee assignments, including Appropriations, Energy and Natural Resources and Environment and Public Works, the committee that oversees highway reauthorization. She encouraged the new legislators attending the BIC legislative conference to also address West Virginia's highway funding problems. Highways create jobs and economic development she told legislators and that, "If you're not ready to make the choices, you shouldn't be in the room."

The 2015 Regular Session of the West Virginia Legislature begins Wednesday, January 14, and runs for 60 days. CAWV will be receiving information on new senators and delegates, along with Capitol addresses and phone numbers.

SENATOR BARNES TO BECOME SENATE CLERK

Sen. Clark Barnes is expected to resign from the West Virginia Senate to become Senate Clerk, effective January 14. Sen. Barnes, R-Randolph, represents the 11th Senatorial District, which includes Nicholas, Pendleton, Pocahontas, Randolph, Upshur and Webster counties, and a portion of Grant County. The District 11 Republican Executive Committee will present names of three possible replacements to Gov. Tomblin, who will make the selection. The following candidates have expressed interest: Tate Summerfield, Randolph, Delegate Allen Evans, Grant, and Pete Sigler, Jr., Dwane Borchers, Steve Ferguson and Greg Boso, all Nicholas.

MAKE PLANS NOW TO ATTEND TRANSPORTATION DAY - JANUARY 20, 2015

West Virginians for Better Transportation (WVBT) will be hosting "Transportation Day at the State Capitol" on Tuesday, January 20, 2015. Plan to join with others interested in the future of West Virginia's transportation system and show support for a long-term solution for the state's roads, bridges and highways. Members are urged to gather at the state Capitol, meet with new

legislators and help educate lawmakers about the challenges facing transportation across the state.

A limited number of exhibit spots will be available on the Lower Rotunda area of the West Virginia Capitol as part of Transportation Day. There is no cost to exhibit, but pre-registration is required (these are available on a first-come, first reserve basis). A registration form is attached to this week's Newsletter for those interested in attending or exhibiting. For additional information, call the CAWV at (304) 342-1166.

CAWV MIDYEAR MEETING APPROACHING, SPONSORS NEEDED

Associate Division Chairman Chris Slaughter this week reached out to associate members to solicit sponsorships for the Saturday evening reception being held during the Midyear Meeting, January 30-February 4, 2015, at the Fiesta Americana Grand Los Cabos. Members of the Associate Division who wish to participate will be listed in the convention program, in the Newsletter, CAWV website and in *West Virginia Construction News*. "This is a great opportunity to show that your firm supports the CAWV and its membership," said Chairman Slaughter. "The Saturday evening reception is always very well attended and is a great time for members to network with their peers and catch up with friends. I wholeheartedly encourage every member of the Associate Division to support this function."

Associate Division members received the sponsorship sign-up form, which is also attached to the Newsletter. The form is due back to the CAWV office by January 2. Forms are also available [here](#). Members who would like to sponsor the reception can contact Wendy Long at (304)342-1166 or long@cawv.org or return the attached form.

WV CONSTRUCTION AND DESIGN EXPO – FACEBOOK CAMPAIGN

Help us spread the word to meet our goal of 500 "Likes" on Facebook! WV EXPO is currently running a Facebook marketing campaign in an attempt to reach more people by running ads in states surrounding West Virginia. The EXPO team is working get the word out to family, friends, co-workers and associates by inviting others to "Like" the WV EXPO Facebook page. The campaign has doubled the amount of "Likes" in the first week and will hopefully lead to more customers, sales and online traffic on both Facebook and wvexpo.com. Click [here](#) to visit the WV EXPO Facebook page (sign in required).

Also please be aware that the deadline for the 'Early Payment Discount' is January 15, 2015. Reserve your booth today to get \$50 off.

2015 WVCN PROFESSIONAL DIRECTORY ACCEPTING ADVERTISERS

West Virginia Construction News' Professional Directory is now open to advertisers for 2015. For a yearly cost of \$195 for 1" or \$390 for 2", ads are distributed in all six issues of the magazine to state and federal contracting agencies, legislators, contractors, subcontractors and suppliers. A form is attached to this week's newsletter.

MERRY CHRISTMAS AND HAPPY NEW YEAR FROM THE CAWV

The CAWV would like to wish everyone a Merry Christmas and Happy New Year. The Association office will be closed on Thursday and Friday, December 25 and 26, in observance of Christmas. We will also be closed Thursday and Friday, January 1 and 2, in observance of New Year's. There will be no Newsletter December 26, but project information and bid results will be distributed.

**2015 TRANSPORTATION DAY
AT THE WEST VIRGINIA CAPITOL
Tuesday, January 20, 2015**

SIGN-UP & EXHIBITOR REGISTRATION FORM

WVBT again will be hosting Transportation Day at the Capitol on Tuesday, January 20, 2015. Last year's event was a great success... as more than 50 organizations and companies participated. And, with a report forthcoming from the Governor's Blue Ribbon Highway Commission, the 2015 Transportation Day will be even more significant.

We would like to know whether your organization or company would like to be listed as a participating organization. Please complete and return this form. **We need a large crowd to keep the pressure on regarding the problems facing our transportation industry and infrastructure.** EXHIBIT SPACE: A limited number of exhibit spots will be available on the Senate Upper Rotunda area of the W.Va. Capitol as part of Transportation Day. There is no cost to exhibit, but pre-registration is required (these are available on a first-come, first reserve basis). *(More details about exhibiting will be provided as the event draws closer.)*

Plan to join with others interested in the future of West Virginia's transportation system and show your support for a long-term solution for our roads, bridges and highways. Gather at the state Capitol, meet with your local legislators and help educate lawmakers about the challenges facing transportation across our state. Let's keep West Virginia moving! Please complete and return this form by faxing to (304) 342-1074.

___ I would like my organization's/company's name listed as part of the participating entities for Transportation Day on January 20, 2015.

___ I would like to reserve an exhibit spot at the State Capitol for 2015 Transportation Day.

THREE SELECTED FOR CHARLESTON CIVIC CENTER DESIGN BUILD PROJECT

Contractors and architects, a number of which are CAWV members, submitted their qualifications to become the design-build team for a \$59 million upgrade and expansion to the Charleston Civic Center. The Civic Center Board interviewed all four teams and selected three to proceed to the Request for Proposal stage. Interviews were held Wednesday, Dec. 17. The three teams have until March 11 to submit their proposals. The two teams not selected will receive a \$100,000 stipend for their efforts.

The three firms are: BBL Carlton, with ZMM Architects; Pray Construction Company and P.J.Dick Corp., with Silling Associates; and Mascaro Construction, with GBBN Architects and Bastian & Harris Architects. Welty Building, with Prayworks and HKS, Inc. missed the cut.

NINE COUNTIES WILL RECEIVE STATE FUNDING FOR SCHOOL CONSTRUCTION PROJECTS

The West Virginia School Building Authority approved about \$5.6 million for major improvement projects on Monday. The authority also approved about \$1.6 million for projects affecting more than one school district. The largest award, \$1 million, will go to Berkeley County to add six classrooms to Potomack Intermediate School near Martinsburg. Greenbrier, Wirt, Gilmer, Marion, Ohio, Fayette, Upshur and Lincoln will receive smaller grants for projects.

The SBA held their quarterly meeting on December 15, 2014 at the SBA Office. The following Major Improvement Grant awards were made by the Authority:

Berkeley	Potomack Intermediate School Classroom Addition	\$1,125,200	\$125,200	\$1,000,000
Fayette	Anstead Middle School Boiler Replacement	\$700,750	\$70,075	\$630,675
Gilmer	Gilmer Co High School HVAC System Renovations & Replacement	\$782,571	\$25,000	\$757,571
Greenbrier	Crichton Elementary School Windows / HVAC / Electrical / Entrance	\$1,002,652	\$102,652	\$900,000
Lincoln	Asbestos Abatement & Window Replacement at two Elementary Schools	\$316,300	\$60,000	\$256,300
Marion	Marion Co Vo-Tech Center Pyritic Shale Remediation	\$2,192,119	\$1,449,838	\$742,281

Ohio	Faculty Restroom ADA Renovations at two Elementary Schools	\$85,775	\$21,444	\$64,331
Upshur	Union Elementary School HVAC Renovations	\$1,722,707	\$1,305,895	\$416,812
Wirt	Wirt Co High School HVAC & Fire Alarm Renovations	\$963,694	\$160,000	\$803,694
Total		\$8,891,768	\$3,320,104	\$5,571,664

In addition, 3% Projects were awarded in the following amounts:

Facility	Project Description	Total Project Cost	Local/ Other Funds	SBA Awarded Funds
Fred W. Eberle Technical Center	Facility-wide Exterior Window Replacement	\$297,678	\$0	\$297,678
Mid-Ohio Valley Technical Institute (MOVTI)	Welding Ventilation System Replacement	\$173,428	\$0	\$173,428
Nicholas County Career & Technical Center	Classroom Exhaust Systems Replacement	\$601,800	\$75,000	\$526,800
South Branch Career & Technical Center	Welding Shop Expansion & Access Control Fencing	\$476,806	\$0	\$476,806
WV Department of Education	Continuation of Statewide Preventative Maintenance Program	\$82,638	\$0	\$82,638
Total		\$1,632,350	\$75,000	\$1,557,350

AGC-BACKED PENSION REFORM INCLUDED IN FEDERAL SPENDING BILL

On December 13, the Senate voted 56-40 in favor of the \$1.1 trillion omnibus bill that had the House in turmoil earlier last week. Dubbed omnibus because it's part omnibus and part continuing resolution, the nine-month spending bill now awaits the president's signature. It funds federal agencies through the end of the fiscal year with the exception of the Department of Homeland Security which is funded only through Feb. 27, 2015. A series of association-backed multi-employer pension reforms, designed to allow employers and employees the opportunity to protect and improve retirement programs, is included in the Consolidated and Further Continuing Act of 2015.

AGC CEO Steve Sandherr released the following statement after the House passed the omnibus bill last week. "The most important aspect of these new reform measures is that they finally provide employers and employees with the flexibility to voluntarily act to shore up multi-employer retirement plans. Without these new measures, thousands of retirees would likely

have been forced to accept the savage cuts to their retirement benefits that come when the Pension Benefit Guarantee Corporation is forced to step in. This is the culmination of three years of joint labor and management cooperation to shore up troubled plans. The Senate and President Obama must move quickly to enact these needed reform measures so that thousands of employees and their employers can have the tools needed to protect their hard-earned investments and benefits."

LIGHTING UPGRADES, WWTP, DUNBAR

(iSqFt Project ID# 2204001) Bids will be accepted until 10:00 AM on 1/16/2015 for upgrade of the existing lighting at the City of Dunbar Wastewater Treatment Plant to an energy efficient lighting system. Bids should be submitted to City of Dunbar, 210 12th Street, Dunbar, WV 25064 (304)766-0213. Plans and specifications are available from Ghosh Engineers, Inc., 4710 Chimney Drive, Suite A, Charleston, WV 25302 (304)444-5284. **Plans and specifications are expected in the CAWV Physical Planroom and Internet Planroom at www.isqft.com.**

SECURITY SYSTEMS, COURTHOUSE/ANNEX, MINGO COUNTY

(iSqFt Project ID# 2204005) Bids will be accepted until 4:30 PM on 1/19/2015 for installation of security system with walk through scanners, and an intercom system for the Mingo County Courthouse and Annex building. A pre-bid meeting will be held on 12/29/2014 at 10:00 AM in county commission courtroom, Room 136, 75 East Second Avenue, Williamson. Bids should be submitted to Mingo County Commission, 75 East Second Avenue, Room 308-B, Williamson, WV 25661 (304)235-0338. Plans and specifications are available from Mingo County Commission, 75 East Second Avenue, Room 308-B, Williamson, WV 25661 (304)235-0338. **Plans and specifications are expected in the CAWV Physical Planroom and Internet Planroom at www.isqft.com.**

BUILD-OUT, VIP AREA, WEST FAMILY STADIUM, WEST LIBERTY

(iSqFt Project ID# 2205568) Bids will be accepted until 2:00 PM on 1/12/2015 for construction of a new enclosure at the existing press box VIP deck at the West Family Stadium, West Liberty University. A **mandatory** pre-bid meeting will be held on 12/22/2014 at 10:00 AM at the ASRC building, Boyle Conference Room, West Liberty University. Bids should be submitted to West Liberty University, 208 University Drive, College Union, Box 104, West Liberty, WV 26074 (304)336-8510. Plans and specifications are available from M & G Architects & Engineers, 1027 Mt. deChantal Road, Wheeling, WV 26003 (304)242-8248. **Plans and specifications are expected in the CAWV Physical Planroom and Internet Planroom at www.isqft.com.**

HSC SIMULATION CENTER EXPANSION/RENOVATION, WVU, MORGANTOWN

(iSqFt Project ID# 2205580) Bids will be accepted until 3:00 PM on 1/22/2015 for renovation and expansion of the simulation center at the Health Science Center, Morgantown. A **mandatory** pre-bid meeting will be held on 1/8/2015 at 12:30 PM at HSC North, Learning Center, 1st Floor, Room 1909, One Medical Center Drive, Morgantown. Bids should be submitted to WVU Purchasing, Contracts and Payment Services, P.O. Box 6024 - 3rd Floor One Waterfront Place, Morgantown, WV 26506-6024 (304)293-8475. Plans and specifications are available from Printscape Imagings & Graphics, 549 Beechhurst Avenue, Morgantown, WV 26505. **Plans and specifications are available in the CAWV Physical Planroom and Internet Planroom at www.isqft.com.**

SUBCONTRACTORS - PANERA BREAD, TEAYS VALLEY

(iSqFt Project ID# 2204995) Sub contractor proposals for the completion of a Panera Bread restaurant, Teays Valley will be accepted until 5:00 PM on 1/7/2015. Bids should be submitted to Covelli Enterprises, 3900 East Market Street, Warren, OH 44484. Plans and specifications are available from Phillips Sekanick Architects, 142 East Market Street, Warren, OH 44481 (330)395-9518. **Plans and specifications are available in the CAWV Physical Planroom and Internet Planroom at www.isqft.com.**

STANDBY GENERATOR SYSTEM REPLACEMENT, ATHENS COUNTY, OHIO

(iSqFt Project ID# 2204068) Bids will be accepted until 10:00 AM on 12/30/2014 for replacement of the existing standby generator system equipment, reworking the electrical service entrance and electrical feeds, installation of equipment pads, site lighting, and miscellaneous items associated with the completion of the Standby Generator System at the Athens County Engineer's Office. A pre-bid meeting will be held on 12/23/2014 at 1:00 PM at the Board of County Commissioners of Athens County, 16000 Canaanville Road, Athens, OH. Bids should be submitted to Board of County Commissioners of Athens County, 15 South Court Street, Athens, OH 45701. CHRISTMAS SAFETY

“Merry Christmas” everyone! Christmas is here in a few short days and there are lots of activities going on which can act as distractions to our work. “Did that present we ordered arrive on time?” “Did we forget to invite anyone to Christmas dinner?” “What was I supposed to bring to that Christmas party?”

It is a challenge to stay focused at work during this time of year. **So, this is when it is especially important to take four seconds for safety.** When you find yourself working away and your thoughts running wild with all the plans and activities of Christmas, STOP, take those four short seconds to look around and come back to the present moment. Look for a hazard in the middle of your activity. Are you standing on a ladder? Are you in an awkward position or about to trip on something lying on the floor? Hazards do not go away. Only our awareness of the hazards goes away. And when we ignore hazards, we tend to get injured.

Christmas injuries tend to put extra stress on everyone. Imagine yourself sitting around the Christmas table in a leg cast because you fell off a ladder or tripped over something. Unfortunately, these stories are more common than all of us might admit. Injuries at Christmas seem to magnify how many people are affected by an injury to one person. How many people count on you each day to come home safely? If you add them all up you might be surprised.

Taking four seconds for safety may seem unimportant to you, yet it is the one activity, the one action you might take during a busy and distracted day which will have the most benefit in keeping you safe. Think of it as your Christmas present to yourself. In fact, you can think of each of those people who would be affected by an injury to you every time you take four seconds to refocus.

Think about this when you are about to drive away to some gathering this Christmas. The noise, the excitement, the distraction! Take a moment, take a big breath, count slowly to four, then drive away. Chances are that you will arrive safely once you focus for those four seconds.

Again, “Merry Christmas” to everyone from the CAWV staff. May the Blessings of this season warm the hearts of you and your families.

Contact the CAWV at (304) 342-1166 for assistance with the safety program.

The Associated General Contractors (AGC) of America is collaborating with ClickSafety, an OSHA-authorized provider, to deliver a wide range of construction related safety courses online for members at a 10% discount. HIGHWAY PROGRAM NEEDS TO GROW THE PIE, SECRETARY MATTOX STATES

Unless new funding is made available, the WV Division of Highways will have to switch the program to more preservation projects rather than system expansion. “We need to grow the pie or more of our program will have to be on maintaining the existing system and less on expanding it,” Secretary of Transportation and Highways Commissioner Paul Mattox, Jr., P.E., told members attending the Asphalt Pavement Association’s annual meeting held Thursday at Embassy Suites in Charleston. “I’m beginning to feel like it’s Groundhog Day because we’re status quo on our program,” the secretary stated. “We are having to stretch very limited revenues and we are losing ground every year.” He noted that program spending has flipped over the past five years.

In 2009, 23.7 percent of the construction program was spent on asphalt pavement and 36.1 percent on bridge projects. In 2014, repaving accounts for 35.2 percent and bridges are 20.8 percent. Grading and other expansion projects comprised 29 percent of the program in 2009 and 17 percent in 2014. Projects in the “Other” category, which includes, guardrail, lighting, slides, striping, buildings, and similar work, increased from \$57 million in 2009 to \$106.3 million in 2014. (A year-by-year breakdown of WVDOH work from 2000 to 2014 was included in the December 12, 2014 CAWV Heavy/Highway Bulletin. Click [here](#) to view last week’s Newsletter.

“We had a pretty good year this year although we didn’t get some projects out until late in 2014,” Secretary Mattox told members. “We will have similar program in 2015 and we hope to get projects out earlier. The bottom line is that we need to double the state’s paving, bridge, maintenance and expansion program. However, federal highway funding levels seem to be about the same and West Virginia will continue to get 1.11 percent of the federal apportionment – about \$425 million. We think the U.S. Senate has a plan but we don’t see anything coming forth from the House,” he said.

The secretary noted that tolls on the West Virginia Turnpike will come off when the final construction bonds are paid off in 2019. The legislation to discontinue tolls also provides for the WVDOH to take over maintenance of the 88-mile, four-lane highway. He noted that raising the tolls would generate additional dollars for highway construction projects in southern West Virginia either financed by bonds or on a pay-as-you-go basis.

“This would be a great economic engine for Southern West Virginia,” Secretary Mattox said. Noting that 80 percent of the traffic on the Turnpike is from out-of-state, he concluded his remarks by saying, “What a travesty, and opportunity missed, if we take the tolls off the Turnpike.”

TRUCK DRIVERS HOURS-OF-SERVICE RESTART RELIEF PASSES IN CONGRESS

On December 13, 2014, Congress passed the FY 2015 Omnibus Appropriations bill providing funding for the vast majority of the federal government, including the Department of Transportation, for the current fiscal year. The President is expected to sign the bill into law shortly. Officially titled the Consolidated and Further Continuing Appropriations Act, 2015, the

bill is over 1,700 pages long and has a host of detailed spending and policy-related provisions affecting many industries.

The most important trucking-related provision is language that provides relief from the two new restrictions of the hours of service restart rule. Specifically, the legislation suspends the requirement that all qualifying restarts contain two consecutive periods of time between 1 a.m. and 5 a.m., and that it can only be used once every 168 hours (or seven days). In other words, the restart rule reverts back to the simple 34 hour restart in effect from 2003 to June 2013. The legislation language is remarkably simple.

“Section 133 temporarily suspends enforcement of the hours of service regulation related to the restart provisions that went into effect on July 1, 2013 and directs the Secretary to conduct a study of the operational, safety, health and fatigue aspects of the restart provisions in effect before and after July 1, 2013. The Inspector General is directed to review the study plan and report to the House and Senate Committees on Appropriations whether it meets the requirements under this provision.”

Essentially, this law eliminates, temporarily, the two new restrictions on the use of the 34-hour restart, namely the 1-5 a.m. provision and the 168 hour rule. Drivers will be permitted to restart their weekly hours by taking at least 34 consecutive hours off-duty, regardless of whether or not it includes two periods of time between 1am and 5am. A driver can also utilize the restart more than one time per week if necessary.

KANAWHA JUDGE STRIKES DOWN MORGANTOWN TRUCK BAN

A Kanawha County judge ruled that the city of Morgantown can't restrict heavy trucks on downtown streets. Circuit Judge Joanna Tabit said Morgantown's heavy truck ordinance on W.Va. 7, which runs through downtown, was "unenforceable" and granted a request by several companies and the state Division of Highways to nix the rule. The ordinance would have prohibited some commercial motor vehicles that weigh 13 tons or more from traveling on the state road, which includes parts of University Avenue, Pleasant Street and Spruce Street in downtown Morgantown. Morgantown Mayor Jenny Selin said City Council members would decide whether to appeal Tabit's ruling to the state Supreme Court. In October, Morgantown was approved to participate in the state's municipal home rule program, which provides cities extra freedom to regulate the operations of their municipalities outside the confines of state law, but the ordinance restricting trucks doesn't apply to the program.

TIME RUNNING OUT TO REGISTER FOR 2015 TECHNICIAN AND INSPECTOR COURSES

The CAWV is pleased to announce Certification Training Courses, which are offered annually to help individuals prepare for WVDOH certification examinations required under their Quality Assurance Program. Thousands of individuals have attended courses in Compaction, Aggregates, Asphalt and Portland Cement Concrete over the last several years. Test comparisons prove that those persons who attend the CAWV/WVDOH courses have a higher success rate for passing the exams.

Class	Training Dates	Test Date	Registration deadline
Compaction Inspector	January 5-8	January 9	December 29
Aggregate Inspector	January 12-15	January 16	January 2
Asphalt Field Technician	January 20-22	January 23	January 9
Asphalt Plant Technician	January 26-29	January 30	January 16
PCC(Combined Courses)	February 23-26	February 27	February 6

Portland Cement Concrete Technician and Inspector- This course will have a test for PCC Technician and a separate test PCC Inspector. This is a great opportunity to get both certifications in one week.

For more information, contact Pat McDonald at (304)342-1166 or e-mail pmcdonald@cawv.org. Forms are available on the CAWV's website at www.cawv.org.

EOI, COONSKIN COMPLEX PERIMETER FENCE DESIGN, CHARLESTON
