NAVIGATING THE APP

ACCESSING THE MENU

■ **iPhone Users** will see a bottom navigation bar with four main tabs and a "More" option to access additional features.

■ **Android Users** will use the three-line menu icon at the top left corner of the screen to access all features. You can also swipe left to access the menu.

NEWSFEED
Stay informed with the latest announcements and updates.

▶ View updates posted by CAWV staff
▶ Like, comment on, or bookmark posts for later reference

FORUMS
Forums give members a space to share ideas, ask questions, and discuss key topics.

▶ Participate in group discussions organized by topic or committee
▶ Collaborate with peers and stay informed on shared interests

DIRECTORY
The directory is a valuable resource for learning more about CAWV member companies. Use it to explore your network and discover potential connections within the industry. Tap **Company Directory** to search member companies by name, location or category.
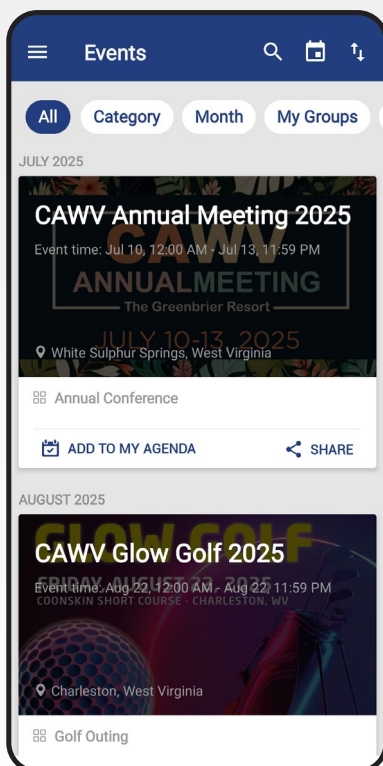

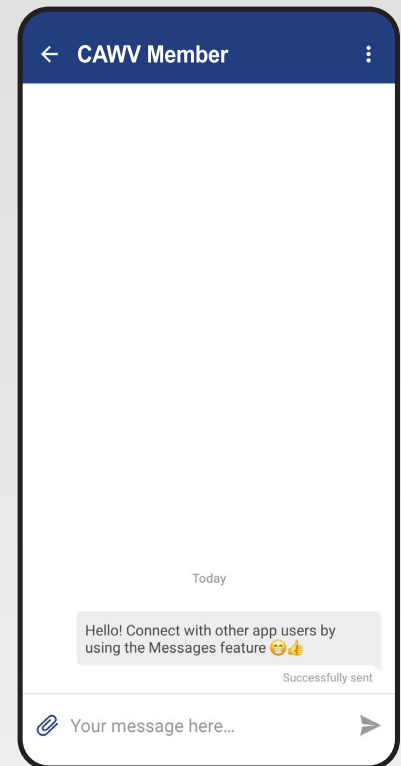

APP USERS

Search app users to explore your network and discover potential connections within the industry.

▶ Tap App Users to search by name, company, or view nearby users on the map
▶ Tap a profile to view details or start a direct message
▶ Add users to Favorites or Notes (visible only to you)

MESSAGING

Stay in touch with members through real-time direct and group messaging.

▶ Tap Messages or use the "+" icon to start a conversation
▶ Select a contact or create a group chat
▶ Share files or photos using the paperclip icon
▶ Access past messages under the Direct or Group tabs
