ADJOURN

CURAÇAO: KNOW BEFORE YOU GO

Getting There

AIRPORT

Travelers will arrive at Curaçao International Airport (CUR), also known as Hato International Airport.

AIRPORT TRANSPORTATION

CAWV is working with Eco DMS to coordinate airport transportation for Midyear Meeting attendees. Additional information, including availability and pricing, will be provided to registered guests in October 2026.

Note: Curaçao Marriott Beach Resort does not provide complimentary airport shuttle service. See below for additional transportation options during your stay.

Getting Around the Island

RENTAL CAR | Recommended

Planning to explore the island? Guests are encouraged to rent a car. Beaches, restaurants and attractions are spread throughout Curaçao, making a rental car one of the easiest ways to explore the island at your own pace. Driving is on the right-hand side of the road, just like in the United States. Complimentary self-parking is available at the resort.

TAXIS | Yes

Taxis are widely available and can be arranged through the resort. Fares are generally based on destination rather than a meter, so confirm the fare before your trip.

UBER / LYFT | No

Uber, Lyft or other traditional rideshare services do not operate in Curaçao.

Passport + Immigration

DIGITAL IMMIGRATION CARD | **Required**

All international visitors, including children, must complete Curaçao's Digital Immigration Card (DI Card) online within seven days of departure. Each traveler must complete an individual card and should have the completed form available digitally or printed upon arrival.

▶ Scan the QR code or visit dicardcuracao.com to learn more.

CURAÇAO EXPRESS PASS | **Optional**

When completing the DI Card, travelers will have the option to use the free Curaçao Express Pass for faster immigration processing at Curaçao International Airport. Travelers who opt in can use the Airside Digital Identity App to verify their passport before departure and access designated contactless eGates upon arrival.

Currency & Payments

Curaçao's official currency is the Caribbean Guilder (Cg), introduced in March 2025. U.S. dollars are widely accepted throughout the island. The Caribbean Guilder is pegged to the U.S. dollar at an official exchange rate of USD \$1 = Cg 1.79.

Languages

Curaçao's official languages are Papiamentu, Dutch and English. Papiamentu is the language most commonly spoken in everyday life, but English is widely spoken throughout the island.

Bon Bini

Weather + What to Pack

Expect warm Caribbean temperatures, plenty of sunshine and breezy tropical conditions. Curaçao has a relatively dry climate and sits outside the hurricane belt.

What to Pack: Lightweight clothing • Swimsuit • Sunglasses • Sunscreen • Comfortable walking shoes • Light sweater for air-conditioned meeting rooms

Meeting Attire

Resort casual attire is appropriate for meetings and scheduled social functions unless otherwise noted. Lightweight dresses, skirts, slacks, polos, button-down shirts and similar island-appropriate attire are encouraged.

Klein Curaçao

Take a boat trip to this tiny uninhabited island known for white sand, crystal-clear water, snorkeling, its historic lighthouse and shipwrecks.

Grote Knip / Playa Kenepa

One of Curaçao's signature beaches, known for its brilliant turquoise water, white sand and spectacular island views.

Snorkeling + Diving

Curaçao is known for excellent shore diving and snorkeling, with reefs accessible directly from many beaches.

Shete Boka National Park

Dramatic cliffs, crashing waves, natural inlets and the famous Boka Tabla cavern.

Christoffel National Park

Explore the island's rugged landscape and hiking trails, including Mount Christoffel, Curaçao's highest point.

Hato Caves

Explore ancient limestone caves filled with stalactites, stalagmites and centuries of island history.

Curaçao Liqueur Distillery

Visit the home of the island's famous Blue Curaçao liqueur and learn how it's made from the laraha orange.
